

## **DEDICATION OF THE GRAND HALL OF NAZARETH HOME AS DOVES PANLASIGUI HALL**

**Jorge and Josie Santamaria**

**On December 7, 2019, the Grand Hall of the 4<sup>th</sup> floor of Nazareth Home was dedicated as the DOVES PANLASIGUI HALL in memory of Isidoro and Nieves Panlasigui who donated to the Christian Family Movement Foundation, Inc. in 1991, a parcel of land where our Nazareth Home now stands.**

**CFMer-Couple Isidoro and Nieves, who lovingly called themselves DOVES, saw the need for the Christian Family Movement of the Philippines to have its own building where it could have its office, a chapel, and facilities for the conduct of various Family and Life Apostolate programs and advocacies, formation programs, recollections, and other activities in pursuit of its mission to be evangelized and to evangelize other families and communities.**

**We are deeply honored and forever grateful to Isidoro and Nieves Panlasigui and their children for their generosity in allowing God to use them as His channel of grace and blessing so that the Christian Family Movement of the Philippines may have a home of its own.**

**The family of the late Isidoro and Nieves Panlasigui was represented by their son-in-law General Narciso Abaya, the husband of the late Susan Abaya, their oldest daughter and their great grandson, Enzo Garcia, grandson of Gen. Abaya and his late wife Susan.**

**We are also very grateful to the CFMers for their hardwork and commitment to raise funds thru various activities, who gave time, shared their talents and treasures to make our Nazareth Home a reality, and to non-CFMers who believed in our mission and supported us generously.**
